## MEDICINAL.

**"I had scrofula and erysipelas for eight years, until I heard**

Of Dr. Pierce's Golden Medical Discovery," writes Mr. Hilary Koons, of Queens, W. Va. "When I commenced to take this medicine I weighed one hundred and thirty pounds. I have taken six bottles of Dr. Pierce's Golden Medical Discovery and three vials of his 'Pleasant Pellets,' and am glad to say I feel like a new man. I now weigh one hundred and seventy-five pounds. When I had used one bottle of the medicine I could feel it was helping me. I realize Dr. Pierce's Golden Medical Discovery is the best medicine on earth."

Dr. Pierce's Golden Medical Discovery purifies the blood and entirely eradicates the poisons that breed and feed disease. It cures scrofula, eczema, erysipelas, boils, pinaples and other eruptions that mar and scar the skin. Pure blood is essential to good health. The weak, run-down, debilitated condition which so many people experience is commonly the effect of impure blood. Dr. Pierce's Golden Medical Discovery not only cleanses the blood of impurities, but it increases the activity of the blood-making glands, and it enriches the body with an abundant supply of pure, rich blood.

FREE. Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

## JAPANESE VICTORIOUS.

The Seoul correspondent of the London Daily Mail says that in an engagement March 23 which Japanese infantry had with Cossacks between Anju and Chong Ju the Japanese were victorious, but lost 50 killed. This is the section of Korea in which the first engagements of importance on land were expected. Russian reports intimate that the Japanese military forces are becoming aggressive.

Reports from the general Russian staff say the Japanese skirmishers are more enterprising, and that more outpost affairs may henceforth be expected.

As expected, Japanese advances shed a different light upon Vice Admiral Togo's latest move upon Port Arthur. A telegram received at Tokio from Niuwang states that the Japanese succeeded in sinking four steamers at the mouth of Port Arthur harbor. A flotilla of destroyers conveyed the merchantmen, which were subsequently sunk, and rescued the volunteer crews. Later the Japanese battleships bombarded the town and its defenses.

The civil administrator late Sunday evening notified all the foreign consuls and residents of Viceroy Alexieff's order placing the city and port of Niuwang under martial law, explaining that it had been so ordered for the purpose of safeguarding the commercial interests of the port. The opinion of leading foreign residents and officials is that, although the rights of neutrals remain unaltered by treaty, Russia assumes the power to annul these rights; also consular jurisdiction and extraterritoriality rendering the position of foreign consuls untenable. In some quarters the order is regarded as an apparent challenge to neutral powers, especially to China, on account of the appropriation of her territory, and that it renders the United States gunboat Helena and the British cruiser Espiegle liable to an order to leave port. The consuls will await instruction from their respective governments, inasmuch as there is no law to guide the consuls' actions. The property and trade interests of the foreign residents are prepared to be abandoned. The foreign consuls had a conference with the civil administrator yesterday. The latter informed them that the full intention of Russia's order of Sunday was to proclaim martial law, and also to annul consular jurisdiction, and that the same already was annulled. The Americans at Niuwang call attention to the apparent defile of Americans regarding the placing of consuls in Manchuria by the execution of Russia's order. American and British flags were yesterday removed by the Russian military from the property of citizens of American or British nationality.

## Assumed His Title.

Mr. Albert Kirby Fairfax, eldest son of the late Dr. John Contee Fairfax, of Prince Georges county, Md., and the inheritor of his titles of Lord Fairfax and Baron Cameron in the peerage of Scotland, has recently assumed these titles and has taken his seat among his peers in the British House of Lords.

When Mr. Fairfax went to England, two years ago, it was with no intention of appearing in that country as any other than an unassuming American citizen. The object of his change of residence was simply the acceptance of a clerkship offered him in a London bank. His claims to distinction, however, were too well known for him to remain in obscurity, and he was from the first sought out by those among whom his rightful position was well known. Within the past four months he has been legally adopted by a wealthy Englishman as the heir to his estates, and was finally persuaded into wearing the titles which he is now able to support in a fitting manner.

Mrs. Tunstall Smith, of Baltimore, is a sister of Lord Fairfax, and two other sisters, the Misses Fairfax, also make their winter home in Baltimore. His mother, Mrs. John Contee Fairfax, resides partly at the old family estate in Prince Georges county and partly in New York, where Mr. Edward Fairfax and the youngest sister, Mrs. Rhett, formerly Miss Frances Fairfax, have their homes.

Although the title of Lord Fairfax was worn in this country by the great lord proprietor of the Northern Neck of Virginia, the friend and patron of General Washington, it has never been allowed to lapse through continuous residence in this country, being confirmed forever to the family here, as elsewhere, by a special grant of the crown. It has not been assumed for several generations, the successive inheritors, as a rule, entering a profession and preferring simply the designation of doctor thus acquired.

## Well Again.

The many friends of John Blount will be pleased to learn that he has entirely recovered from his attack of rheumatism. Chamberlain's Pain Balm cured him after the best doctors in the town (Monon, Ind.) had failed to give relief. The prompt relief from pain which this liniment affords is alone worth many times its cost.—For sale by Richard Gibson.

## MRS. HELENA BLAV,

Young Milwaukee Society Woman.

THOUSAND cured women have written to tell how Wine of Cardui bestows the blessing of health on every woman who takes it, rich and poor alike. Mrs. Helena Blav, No. 123 Seventh Street, Milwaukee, Wis., is one of the young women whom Wine of Cardui has rescued from a life of suffering. She writes:

The woman who has suffered from female weakness should do anything within reason to secure health. Wine of Cardui is the medicine that appeals to reasonable women—women who hold operations and cutting in horror—women who know that Nature is the best physician. Wine of Cardui gives women back their health by giving Nature a chance to build up the wasted and diseased tissue. Wine of Cardui regulates the menstrual flow and Nature, when relieved of the drains or the poisons in the system, makes the functional organs strong and healthy again.

"Wine of Cardui is certainly 'women's best friend' and I am pleased to give my experience with it. A few months ago I caught a severe cold, having been out in inclement weather, which settled all over me, particularly in the abdomen. I was in almost constant pain. I consulted a physician and took his medicine for a month and without any relief. I then decided I would try your medicine and it was a lucky day for me when I did so. I noticed a change in a few days and felt encouraged to continue taking Wine of Cardui, and my patience was rewarded, for in two weeks my pains had left me and I felt like a new woman."

Any woman who is silently suffering untold pains because she is too sensitive to undergo a physician's examination and treatment can find no excuse for not securing relief when Wine of Cardui is offered to her. There is no publicity to deter her. She can take Wine of Cardui in the privacy of her home, with as much assurance of a final cure as though a dozen doctors recommended it. Many physicians do recommend Wine of Cardui to their patients. Why not get a \$1.00 bottle of Wine of Cardui from your druggist today?

**WINE of CARDUI** A million suffering women have found relief in Wine of Cardui.
